THE PHILOSOPHY

Mango the Restaurant is all about passion, adventure and great cuisine.

Our restaurant is a contemporary restaurant offering dining experiences to satisfy all aspects of fine cuisine. Mango has two amazing menus for both Indian and Italian food lovers.

Our Indian menu reflects the diversity of north India, steeped in the classics while offering deft touches of modernity.

Our Italian menu is both modern and traditional which defines and represents Italian cuisine at its very best.

Our service style emphasizes hospitality with knowledgeable, technically proficient staff that is present yet unobtrusive. The result is a vibrant and trendsetting scene, full of energy and sophistication.

Mango is a place of gathering, a place of celebration, a place for business and a place for pleasure.

REFINED DINING

The core of our menus is traditional cuisine from the vast culinary regions of both India and Italy that features the most celebrated elements of Indian and Italian cooking techniques, with appetizers and tasting menus that reflect Mangos modern interpretations.

Team Mango continuously endeavours to improve the purest traditional Indian and Italian cuisine, while simultaneously creating innovative, modern dishes.

In this pursuit we make a concerted effort to utilize organically farmed seasonal produce from local sustainable farms as often as we can.

BAR AT MANGO

The modern and stylish bar brings out the original features of the building and great care has been taken to restore several original features. The drinks menu will include fine wines that have been specially selected to complement our cuisine.

Old school and modern cocktails that will have your taste buds jumping. A quality selection of imported beers coupled with an unequalled spirits selection.
